مفهوم الشعار

الشعار يعبر عن فكرة تواصل شخصين، حيث تم دمج الرموز بشكل مبتكر لإظهار مفهوم التعاون والتفاعل بين الأفراد. من خلال التصميم، يظهر الشكل الدائري المتداخل الذي يشير إلى الانفتاح والتطور، مما يعكس الفكرة الأساسية التي يُراد إيصالها. اللوجو بيعكس الرسالة الكامنة وراء التكنولوجيا والابتكار، مع التركيز على التفاعل البشري كجزء أساسي من هذا الابتكار.

عناصر التصميم

الشكل الهندسي: تم تصميم الشكل بشكل يوحي بتواصل الأشخاص بشكل غير مباشر، حيث يتداخل شكلان دائريان في تكامل تام ليعطي انطباعاً بالانسجام والتفاعل بين شخصين.

الارتباط بالسوق السعودي

الشعار يمثل رؤية شاملة لمفهوم الابتكار في السوق السعودي، حيث يُظهر التعاون والتفاعل بين الأفراد كجزء من النمو المستمر في جميع الصناعات، بما في ذلك القطاع التكنولوجي. تصميمه يعكس التوجه السعودي نحو تطوير بيئة اقتصادية قائمة على الابتكار والتقنيات الحديثة.

ORGANIC ART.
Design & Fit-out Studio

LESS IS MORE

This logo concept embodies Organic Art's core values - a fusion of authentic natural Saudi materials with contemporary design, resulting in effortless elegance. It reflects the brand's commitment to minimalism and simplicity, but with a fanatical attention to detail that creates an iconic aesthetic touch. This logo is more than just a visual identifier, it becomes a symbol of our passion for delivering a sophisticated experience, all while subtly referencing the high-quality cultural elements of Saudi Arabia.

'less is more' isn't about extreme minimalism,
but about striking a balance between simplicity and functionality in your design.

بين
Bayn

Bold Arabic Typography

The typeface is bold and confident, reflecting the stability and security Bayn offers users, It conveys a sense of authority and trustworthiness

Hidden Chart Within the Design

A closer look reveals **a chart-like form** within the **negative space of the bold Arabic typography, This subtle detail reinforces the app's connection to data analysis and financial organization**

Modern Arabic Style

The logo utilizes modern Arabic typography, positioning Bayn as a progressive and forward-thinking application, This choice also evokes a sense of pride and cultural connection for Arabic users

برجرجیت
Burger Gate

Main concept

The logo draws inspiration from the iconic Bundt cake, renowned for its captivating, flower-like shape.

The design elements focus on the artistry and meticulous care that define Abo Atwa's pastries. The cake's circular shape symbolizes continuity and the legacy of baking expertise passed down through generations.

By reinterpreting the cake's silhouette into a modern, minimalist design. We capture the precision and skill behind each pastry.
The logo's graceful curves and delicate details mirror the beauty and complexity found in our pastries.

كرك زون

KARAK ZONE

Main concept

The logo's concept for Karak Zone captures the vibrant, dynamic spirit of the brand through a playful and engaging design.

It draws inspiration from karak cups, representing the vibrant, inviting essence of Karak tea. The brand name 'كرك زون' is creatively **woven into the design, with fluid typography that** mimics the swirl of tea, making it look as if the words are part of the drink itself.
